

SALISBURY TEAMS SWEEP WEEKEND TOURNAMENT

It was truly a great day for Salisbury High School as they went home winners in all major events of the 5th Annual FMHS Students Union Basketball tournament.

The tremendous Salisbury boys' team turned back Warburg High and St. Francis Xavier to win the Lions Club trophy. The Salisbury girls set back Stony Plain, St. Francis Xavier and Warburg in convincing fashion to win the girls' division.

To make it a complete sweep the attractive Salisbury cheerleading squad took home the cheer-leading honors.

Three of the eight all star awards went to the Salisbury players in the name of Don Forestier, Dave Jamieson and Donna Dennesson.

This day of success was a great tribute to Mr. Detto and his excellent high school.

The contest of greatest intensity and excitement was the long anticipated clash between the local Drayton Warriors and St. Francis Xavier High School. This game had the fans continually on their feet as the game, moving at a great clip, saw the lead continually change hands.

At half time the local club held a 31-23 lead but lapsed greatly in the third quarter to find themselves ten points behind and then fought back desperately in the fourth quarter but were unable to completely close the gap. St. Francis Xavier won the exciting game 67-62.

Other all star individual trophies went to Bert Reeves of St. Francis, Mary Jane Donaldson of St. Francis, Elaine Mosicki of Warburg, Terry Cable and Stan Oulton of Drayton Valley.

It must also be stated that the example of the St. Francis Xavier Composite High School in spirit and deportment was a great display of a modern contemporary high school with that old time spirit.

Evergreen Rodeo to Be Big Summer Event

Plans are well underway for the Evergreen Rodeo to be held in Drayton Valley on August 15th and 16th.

At a meeting Thursday evening at the Pembina Pipeline office representatives of four clubs met to review details and the degree of development to date. Clubs that will be taking part in promoting the rodeo are Lions, Elks, Canadian Legion and Rotary.

Thursday's meeting saw the election of Earl Kelly of the Elks Lodge as rodeo co-ordinator with the responsibility of liaison between committee heads and generally overseeing the event.

Billed as the "Biggest Amateur Rodeo in the West", sponsors of the event feel that the rodeo will achieve such recognition by offering added purses to attract riders about ready to step into professional ranks. Before turning professional amateur riders are required to gain 1500 riding points,

which they would naturally like to seek where the prize money is largest.

Planning of the new grounds in the West Valley Park is well along and work will commence as soon as possible in the spring.

Areas of responsibility for the clubs taking part are: Chamber of Commerce, parade; Legion, bingos, Rodeo Queen and dances; Rotary, food concessions, pancake breakfast and Rodeo Queen; Elks, barbeque, dances and Rodeo Queen; Lions, midway, advertising, gate, evening performance, fireworks and Rodeo Queen.

Fire Call to Farm Home

The Drayton Valley Fire Department responded to an alarm at 11:00 a.m. Monday to fight a fire at the Forrest Erickson home three miles west and one mile south of Drayton Valley.

Although the truck was delayed in reaching the scene of the fire because of a mix-up in directions, it was able to extinguish a blaze in the roof of the farm home before a great deal of damage was caused.

In the matter of giving and receiving directions, Fire Chief Don Greiner suggests that distances and directions be taken from the traffic lights at the Mayhew Motors corner.

The boss has a new idea for pepping up business: Instead of sticking pins in a map, he's going to stick 'em in the salesman.

IMPORTED COLT BRINGS TOP U.S. BLOODLINES TO DISTRICT

A new arrival in the district is "Better Believeit", the year-old registered son of Mr. Bar None, one of the top quarterhorses in the United States. Better Believeit arrived February 1st at the Violet Grove farm of Mr. Cliff Whitelock to join the Whitelock stable of eleven registered mares.

Sired by Mr. Bar None, Better Believeit is out of Water Witch, an A-A rated quarterhorse. Mr. Bar None is now listed as the 4th leading sire of racing stock in the U.S. based on earnings of progeny.

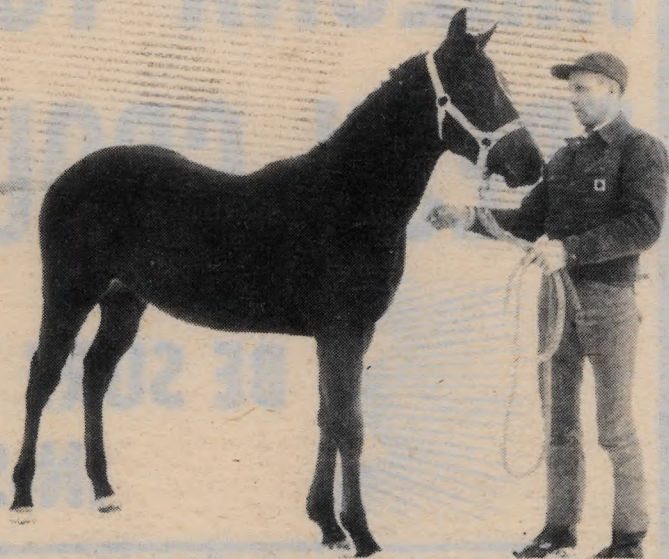

Mr. Bar None was the champion two-year old in 1967 and champion three-year old the following year. His earnings in two racing seasons amounted to \$72,117.

He set the track record at Ruidoso Downs, New Mexico in 1968 and it still stands although the track is the scene of the American Futurity and races featuring top quarterhorses. In setting the record he covered 350 yards in 17.6 seconds.

Better Believeit, purchased from the Mr. Bar None Ranch at Wagoner, Oklahoma, cost the Whitelocks \$8,000 out of the trailer at Violet Grove. He was brought here by Gary and Connie Cooper of Sexsmith who purchased Count Kilobar from Mr. Whitelock.

Count Kilobar, owned by Mr. Whitelock for three years, is to be used as a cutting horse by the new owners.

Plans for Better Believeit include the quarterhorse racing

circuit and eventually stud service. Now one year old, his serious training will not start until he is closer to two.

New Dentist Joins Clinic

Dr. Bruce Longley, who completed his dental training at the University of Alberta recently, is now associated with Dr. Henry Shimbashi in the Drayton Valley Dental Clinic.

An Edmonton resident for the past thirteen years, Dr. Longley is looking forward to establishing in Drayton Valley. Mrs. Longley is teaching in Edmonton and will not be moving here until the end of the term in June.

Dr. Longley enjoys golf and curling and is looking forward to making use of the facilities for the sports here.

CARNWOOD FAMILY LOSES HOME AND CONTENTS IN FIRE SATURDAY

Mr. and Mrs. Vernon Hernberg and family of the Camwood district lost all household possessions and clothing in a fire that destroyed their home Saturday afternoon.

They returned to their acreage, about two miles north of Camwood Esso Service, Saturday afternoon to find the house on fire and despite the help of neighbors

were unable to save much of value.

Immediate help came from the Red Cross and town and district sources which were still endeavoring at the start of the week to obtain more clothing for the children, two girls, 14 and 15, a boy, 11, and a younger boy about 4 years.

Facts About the W.I.

"FOR HOME AND COUNTRY"

Members of the local Women's Institute have become aware of the fact that many people think that the W.I. is an Institution, or that it is an auxiliary of some church, or even that it is a group of old ladies having tea parties. Since it is none of these things, the Women's Institute of Drayton Valley would like to give the public a few facts and figures about the W.I.

What is the W.I.?

It is an organization of rural women working together under the motto, "For Home and Country". It fosters and promotes interest of homemakers in health, home economics, handicrafts, citizenship, education, social service, agriculture, industries, United Nations and exchange programs.

How many members do you have?

At present the Alberta W.I. has 3,636 members in 233 branches and 5 Districts. The A.W.I. is a part of the Federated Women's Institutes of Canada which

is a federation of the Institutes in all the Provinces and the Northwest Territories. Each Provincial W.I. is also a constituent society of the Associated Country of the World, (A.C.W.W.), an International organization of 175 women's groups, in 46 countries, with a total membership of over 6,000,000 women.

With which church are you associated?

With no church. The W.I. welcomes all women between the ages of 16 and 90, regardless of color, race or creed.

How old is your society?

The first W.I. was organized in 1897 in Stony Creek, Ontario by Mrs. Adelaide Hoodless. The first branch in Alberta was in Vermilion in 1909 with Mrs. Hugh Graham as its president. The first Alberta Conference was held in Olds in 1915 with 42 branches participating. Miss Isobel Noble was first Provincial President. The Federated Women's Institutes of Canada was organized in 1919 with Mrs. Emily Murphy as its first president. The first conference of the Associated Country Women of the World was held in Stockholm, Sweden in 1933. The 1968 A.C.W.W. was in Michigan.

Is the W.I. a group of old ladies having tea parties?

Not at all. Though older members, whose families have grown up, have more time to spend in club work, still there are thousands of young homemakers who belong, and are bringing new life and ideas into the group. Many of these women also hold down full time jobs as well.

Is the W.I. program outdated?

How can a program that strives to improve living standards in the world by teaching home economics, agriculture, citizenship, health, crafts and educa-

tion ever become outdated?

There is always a need for these things. The modern W.I. has become much more international. Many backward countries which have suddenly found themselves in the jet age are helped in various ways. The W.I. participates in the Freedom from Hunger campaign and have their own Lady Aberdeen Scholarships which train technicians who go into newly developed countries to teach the people. They believe in the old Chinese proverb which says that if you give a man a fish you feed him, but if you teach him how to fish you feed his family.

Part of the W.I. work is with new branches among Indians and Eskimos in the North. A fund pays field workers, buys materials for crafts and adult education and pays travelling expenses for their delegates to attend conferences "outside".

The W.I. also sponsors a girls club. Girls between the ages of 6 and 16 are accepted. Their program includes education, health, home economics, handicrafts, drama and music. They are taught how to conduct meetings. There are public speaking, short story and art competitions.

The local W.I. at present has 13 members and the girls club 15 members. Some of the plans for 1969 include the annual flower show, a sewing clinic, a campaign to get a women's rest room for the town, and to host a reception for new citizens who will be receiving their Canadian citizenship papers in Drayton Valley this year. There are handicraft, poetry and short story competitions both at the Constituency and Provincial levels this year. It should prove to be an interesting year and a rewarding one for all members.

Any woman interested may call Mrs. Fred Duckett, President or the Secretary, Mrs. Glenn Bowen. Visitors welcome.

THREE YEAR ACCIDENT FREE RECORD BY MOBIL EMPLOYEES

Mobil Oil Canada, Ltd. employees in Drayton Valley have completed three years of work without loss of time due to an accident while on the job.

In recognizing the achievement, Olin Atkinson, Mobil's superintendent in Drayton Valley, congratulated employees for following good safety practices. The record reflects a high level

of maturity and responsibility on the part of each employee. Mobil's emphasis on safe working conditions and training programs are also cited.

The company employs 52 persons in its operations. The Drayton Valley office is responsible for operating some 900 wells in the Pembina field.

The Annual Meeting

Annual meeting time is rolling around again and now would be a good time to decide to attend and discuss affairs of the community.

The meeting is probably the most important one of the year. A time for appraisal of the past year and planning for the future. Your voice should help shape community destiny.

Remember the date, Monday, February 24th.

ACROSS THE EDITOR'S DESK . . .

The Sasquatch . . . Fact or Fiction?

Man is looking to the stars and speculating on the conquest of outer space. Some among us even visualize the unusual species of life that space travel may reveal.

It is strange that while we speculate on the possibilities of life on other planets, the secrets of our own are not yet completely unlocked. Frequently in recent years scientists have discovered forms of life --- animal, bird, insect, reptile --- previously unknown, thought to be extinct, or simply considered non-existent.

The giant Komodo dragons of the East Indies, many attaining a length of 10 feet, hid themselves from prying Western eyes until recent years. Natives of the islands, however, knew of their existence but their stories of "dragons" were laughed off by Westerners until they themselves had factually recorded the creatures.

The Coelacanth, a strange, ugly fish of the age of the dinosaurs was thought to have been extinct for 70 million years. Yet one turned up in a fisherman's net in the Indian Ocean in the year 1952 -- and its identity scientifically established.

Under these circumstances should we scoff yet at the Tibetan and Nepalese stories of the Yeti? Or the B.C. Indians' tales of the Sasquatch? Our planet may yet reveal creatures almost as far out as those conceived by the pen of the science-fiction writer.

The Yeti, or Abominable Snowman, has been a part of life for the people of the high country in Nepal and Tibet for hundreds of years. For the past 140 years Westerners have followed his story with increasing interest.

He has been observed at a distance by groups of men -- he has been reported close at hand by individuals (and the impact by lack of corroboration) -- his tracks have been reported many times -- and the sleeping caves of some unusual type of animal have been discovered. Whatever creature was responsible for the evidence left, was one not readily identifiable by man.

Somewhere in the vast reaches of the Himalayas, much of it unknown, the true story, either identifying or discounting the Yeti, may one day be revealed.

Closer to home, Indian folklore and reports by eyewitnesses, support the possibility that a creature similar to the Yeti inhabits the rugged mountain terrain of British Columbia and the North Western United States.

In Canada its known as the Sasquatch, and as Bigfoot to many in the U.S.

Does he exist or is he too a figment of the imagination? But before you write the Sasquatch off as imagination remember the Komodo dragons and the Coelacanth. Think too about the enormous amount of money spent in searching for the Loch Ness Monster -- and the fact that scientific researchers feel they are very close to unlocking the door to this intriguing secret.

Like the Yeti, the Sasquatch has been reported by eyewitnesses; his tracks have been observed; and there have been a few reports of individual sightings at close range (as in the case of the Yeti, such sightings are viewed with a degree of skepticism).

The Sasquatch has traits not found in the Yeti. Or perhaps it is a Western tendency to elaborate the facts that credit the Sasquatch with attacks on prospectors or carrying one off into the woods from where he eventually returned to tell his incredible tale.

But for over a century the tales of large, hairy ape-like creatures have come out of the mountain areas. Footprints are reported to measure up to 16 inches in length. Is it truth or is it fiction that this man-ape stalks the remote mountain regions?

Many who began as scoffers have changed to believers as the evidence supporting the Sasquatch legend continues to mount. The most intriguing evidence to come to light recently is a colored movie sequence made by Roger Patterson, a Yakima, Washington rancher, that shows some sort of ape-like animal walking through a forest clearing.

Photographs, however, are not recognized as conclusive evidence because of the possibility of faking or tampering. Mr. Patterson, though, is showing considerable faith in what he has told the world about Sasquatch and is now engaged in a \$75,000. expedition using lures, dogs and tranquilizer guns in hopes of capturing a living specimen.

Reports of sightings range from Mexico to Northern British Columbia throughout the most rugged terrain on the North American continent so Mr. Patterson has his work cut out in pinpointing an active area where he might meet with success. His efforts, or the work of those who follow, may one day reveal the existence of some strange inhabitant of the mountain regions. Should they meet with failure, there isn't much doubt that the Sasquatch will live on in folklore and legend.

ST. VALENTINE'S DAY

WEEKLY

VIEWPOINT

A series of brief meditations for the readers of The Western Review prepared by the clergy of the Drayton Valley Ministerial Association.

EVENING FOR THE POOR

BY FATHER E. LYNCH

It is with pleasure that I learn of Drayton Valley's teenagers real concern for the underdeveloped countries of the world. They would like to undertake an active part in the poor's struggle to better themselves. To this end the student councils of both Junior High Schools (St. Anthony's and Drayton Valley Junior High) are planning an "Evening for the Poor of the World" to be held in St. Anthony's school gym next Wednesday starting at 5:30 p.m. The evening commences with a "hunger meal" consisting of rice, bread and water. It is hoped that following the meal a film of a developing nation can be shown to the students. The evening will end with a dance to around 9:00 p.m. The "Eight Day" band is scheduled to play. There will be an admission fee which will cover both the meal and the dance.

The profits realized from the evening will be forward to the Canadian Organization for Development and Peace, Montreal,

where over 92% of every dollar reaches the destination for which it is intended. In 1968 alone, over \$1,405,000 dollars was distributed to many countries for direct use in social and economic projects, education, agriculture, health and welfare, scholarships and countless other areas.

Hunger is the World's No. 1 problem. The No. 1 evil in the world is not the poverty of those who are deprived, but the unconcern of those who are well off. The evening is directed towards both these concerns. "Some nations with a majority of citizens who are counted as Christians have an abundance of this world's goods while others are deprived of the necessities of life and are tormented with hunger, disease and every kind of misery. This situation must not be allowed to continue, to the scandal of humanity." Modern World. "For, if the new name for peace is development, who would not wish to labor for it with all his powers?

Yes, we ask you, all of you to heed our cry of anguish, in the name of the Lord." The Development of Peoples.

Most of us, who are well off, feel we should do something for the poor but are not sure just what to do. By taking part in this "hunger Meal" we in Drayton Valley can actually share in the struggles of our underprivileged brother and sisters. The co-sponsored project is open to adults as well as teenagers of both Junior and Senior High Schools. HELP OUR BROTHERS BUILD A BETTER WORLD.

Ladies' Hospital Auxiliary to Meet

There will be a meeting of the Ladies' Hospital Auxiliary at the Nurses Residence on Thursday next, February 13th, at 8 o'clock.

As so few were able to come to the last meeting, on account of the cold weather, we shall hope to have a full attendance this month.

Steers fed diethylstilbestrol (DES) with rations composed mainly of high nitrogen silage have gained 35 to 60 percent faster than those fed the same ration without the synthetic hormone in experiments conducted at the Canada Department of Agriculture's Experimental Farm at Nappan, N.S.

Editorial Comment from Calgary North Hill News—January 9, 1969

low pay for the dedicated

If Calgary public school teachers are now taking a tough stand on pay negotiations, they are merely adopting the highly successful technique demonstrated by other public service employees in recent years.

Society has only itself to blame. Traditionally in the past teachers, and a few other categories such as nurses and clergymen, were assumed to be "dedicated" to their jobs, and as everyone knows anyone who was "dedicated" was not expected to seek a fair salary.

Suddenly the dedicated people look around and wonder why they have been so naive in the past. Everything is relative in this world. There are the doctors and the lawyers and the engineers and the architects boosting their own fees without reference to any other authority. Indeed they are granted that privilege by an indulgent provincial government.

Then the dedicated public servants look again and find some fabulous wages being paid to senior officials at Calgary city hall and in the school board administration. Those city officials have enjoyed average pay increases of 60% during the past four years.

In the meantime, the successful employment of blunt union power has won handsome pay boosts for many workers inside and outside of the public authorities.

And at the same time, the Alberta universities have been constructing a fabulous empire which includes jobs which can be described as sinecures offering additional pay for moonlighting ("research" and consultant work), a year's holiday with half pay every five years, social prestige and an open door to jobs anywhere in the world without any teaching qualifications.

That is clearly what the school teachers mean when they talk about "relative" position.

They are indirectly employees of the provincial department of education as much as the university teachers.

If there is public clamour against rising taxes—and it is long overdue—it should be directed at the source.

The teacher is the school. There can be no mistake about that. Yet, contrary to general impression, teachers' salaries amounted to only 55% of the 1968 public school board budget. The board has been extravagant in many other fields, not the least in expansion of desk jobs.

The teachers have now turned down a wage offer amounting to 5.52% average increase on top of the 3.40% annual increment. During the past year the cost of living increased officially by close to 5%. There was no quibbling about decimal points for other professional groups.

A few days of reasonable winter has certainly been appreciated and now I suppose everyone can look forward to spring with a bit better feeling. Although the cold spell was still with us, several rinks came to compete in the bonspiel held at the curling rink recently. Not having gone over to see just how the curling was coming along or to see the results I can only say that the winning rinks were from out of town and that everyone seemed to

have had a good time.

The Community League held its meeting recently and in view of the fact that there was a good bank balance showing, a cheque for \$600. was presented to the arena directors to go towards paying for the heaters installed. Since not many members are active in this club, this constituted a great big donation from so small an organization.

The United Church Women held their first meeting of the year on February 6th with eleven members present. This was the reorganizational meeting for the ladies and the following are now the new executive: Mrs. A. Graham, president; Mrs. Krowsowski, secretary; Mrs. Campbell, treasurer; Mrs. Bjornstad, vice-president. The next meeting is to take place at the home of Mrs. Kossowan on the 1st Wednesday of March.

The United Church Sunday School classes have now begun that the cold spell has broken. The services of the United Church are held every second Sunday at 2:30, the next service to be held on the 16th of February.

We are glad to hear that Mrs. G. Lorenz is home from the hospital where she underwent surgery. Hope she keeps on feeling better now.

However, we are sorry to hear that Mrs. Jebod Singh is hospitalized and hope she is soon able to be with her family.

We see that Mr. Bert Hutchinson is now wearing the latest in the mitten styles. This particular "mitt" fits almost to the tips of the fingers and almost to the elbow at the other end, and it is being worn because a cow's foot came too close to the hand.

Mr. and Mrs. Pete Peterson are off on holiday to points in

British Columbia, but from what they have written back the weather there is no more to be enjoyed than our cold days.

We are glad to report that our son, Lee, is now home from the hospital and although only hobbling around, he has been attending school regularly, thanks to Mrs. Muriel Smith who comes to give him a lift there and back.

George Hart Heads New F.G.A. Slate

New executive for the Pembina Oilfield Fish and Game Association was elected at the last regular meeting as follows: President, George Hart; Vice-president, Ken James; Secretary-Treasurer, Bob Cowan; Membership, Al Walton; Big Game, Don Kreycik; Bird, Sig Sowada; Fish, Mike Karach; Good and Welfare, John Desjardins; Hunter Training, Jim Wensley; Entertainment, Phil Vatter.

The 1968 executive would like to take this opportunity to thank the following for their trophy donations: Elk, Howard Jevne; Whitetail Deer, Derrick Supply; Mule Deer, Bill Hallderson; Pike, Pembina Meter Co. Ltd.; Pickering, Mayhew Motors; Grayling, Pembina Drugs; Grouse, The Bay; Trout, Al's Sports Shop; Moose, The Western Review.

Annual Meeting Tomahawk Library

The Tomahawk Community Library Board held its annual meeting on Tuesday afternoon, February 4th, with eight members present. It was a beautiful day and there was a good turn out.

The financial statement was read and approved. A very successful year was enjoyed by the library.

The post office box will be renewed at the cost of \$10.00 and a new file purchased.

An excellent selection of books and magazines for adults and children's reading is available.

The Tomahawk Community Library will hold a Whist Drive in the Library on Saturday, February 22 at 8:00 p.m. The library ladies will be serving lunch. Admission 75¢ each. We would like to see as many as possible come out and play whist.

Officers elected for the new year are: Mrs. Frances Gilbert, president; Mrs. Evelyn Lukaniuk, vice-president; Mrs. Hazel Overbo, secretary-treasurer.

Constable Benson Wickware, son of Mr. and Mrs. William Wickware of Tomahawk, is home visiting his parents for two weeks before returning to Prince George, B.C. where he is stationed.

On Monday, February 3rd, the Tomahawk F.W.U.A. Local held a special meeting at the home of Mrs. Marian Jouan. A very interesting program was drawn up for the future which included cooking and sewing demonstrations, also painting and quilting.

The R.E.A. annual meeting was held on February 5th with 25 members present. Mr. Wild from the head office was present to speak and answer all questions. An election of officers took place.

In the two hockey games play-

ed last week against the L.B. Motors, the Tomahawk Totems again emerged victorious with scores of 6-2 and 7-4.

The Tomahawk Rockets, although defeated in one of their games, managed to tie the last one and are steadily improving.

Championship at Stake

Brett Hammerlindl (L) and Brian Telford are wrapped up in a knotty chess problem. They are two of the many St. Anthony's students who have been engaged in a chess tournament since before Christmas. The tourney wound-up last week with Brian capturing the trophy by winning a two-of-three series against Brett, the runner-up.-

Millbank F.U.A. Plans Raffle

The regular meeting of the Millbank F.U.A. was held Saturday, February 1st at 8:30 p.m. Three films which were ordered by Marion Medd will be shown at the next meeting, March 1st. Everyone is welcome.

A crib quilt which was made and donated to the local by Mrs. Jean Smith will be raffled in the future. Another item which will be added to the raffle was tabled and will be decided at the next meeting.

Thanks go to Mr. Rudolf Zander for being our guest speaker and so ably answered numerous questions proposed to him by the farmers present.

KEEPPHILLS NEWS

MRS. G. RAYMOND
Correspondent

The 4-H Beef Club enjoyed a skating party on Monday evening when they took advantage of the nice weather and time off from their meeting which was held at the Keepphills Hall.

Edward Tattersall was home for a few days from the oil fields where he has been working. He made trips to Drayton Valley and Edmonton to visit friends and on business while here.

Neil and Norma Raymond and family of Edmonton visited here on Sunday. They have another addition to their family since adopting a little girl whom they chose when she was twelve days old.

Mrs. Ella Schwalbe is glad to be home again. She has spent quite some time in the hospital at Drayton Valley and some of the holidays at the home of her daughter and son-in-law, Mr. and Mrs. Dave Rand.

Nora Dombrosky received word her sister at Blufton is home after undergoing surgery early in January.

County Councillor Attends Meeting

The Board of Trustees of St. Anthony's School held its regular meeting Sunday, February 9, at 8:00 p.m. We were pleased to have Mr. Ivan Vowk, Councillor of the Parkland County, as our guest at this meeting.

A resolution was passed to keep the school open at all times whether the buses are running or not. It will be up to the individual parent to decide when to keep his child home due to inclement weather.

The Audited Financial Statement for 1968 was approved and is being sent in to the Department of Education.

The next regular meeting is scheduled for March 9th, at 8:00 p.m. and the Annual Meeting will be held the following week, March 16, at 8:00 p.m. in St. Anthony's School.

It was agreed on motion of Councillor Mann, that immediately upon the engagement of an employee, the person so making the engagement be required to submit to the office all necessary information required concerning the employee.

The meeting adjourned at 6:00 o'clock p.m. on motion of Councillor Mann.

WABAMUN NEWS

MRS. V. ROBERTS, Correspondent

Well it is nice to see some warmer weather once again after such a long cold spell. The fishermen are sure taking advantage of it these days.

Mrs. G. Hancock is home from the hospital again after quite a stay in the hospital at Stony Plain. Take care of yourself Margaret and get stronger each and every day.

Mr. and Mrs. R. T. Ward had their daughter Kathleen home from Edmonton for a few days recently.

Mrs. F. Anderson is having an Artex party at her home on the evening of February 17th at 7:30. Mrs. G. Lawley of Gainford will be the demonstrator.

Mrs. Annie Belrose has been quite ill but is now on the mend.

Mrs. M. Rondiak has the misfortune to sprain her ankle quite badly and is getting around on crutches. We hope you will be able to get around without those crutches soon Cecile.

The Wabamun firemen were glad to hear that they had won two awards for fire prevention. They won 1st in Alberta and 2nd in the Dominion of Canada. Good luck boys, we were certainly glad to hear this. For a fairly young department we think this is wonderful.

Sorry to hear that Mr. A. Burnham is in the Stony Plain hospital. We hope you will soon be better and home again.

Mr. and Mrs. G. Sarich are home again after attending the funeral of Mr. Sarich's father, in Saskatchewan.

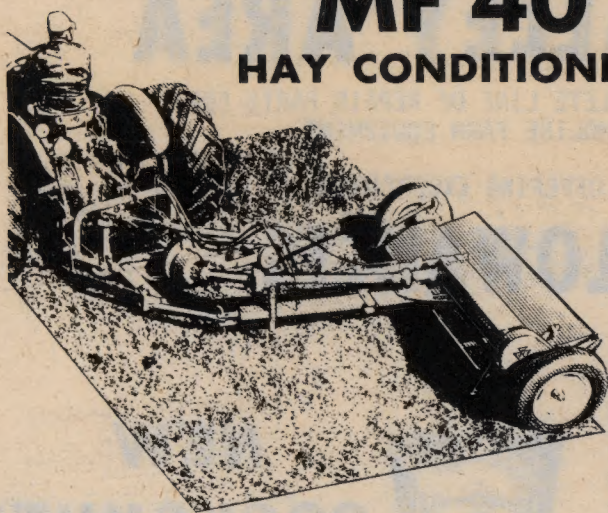

Mr. W. Sulak is in the Royal Alexandra hospital recovering from a heart attack. Chin up Bill we hope you will soon be feeling better.

Boys who are 8 years old or will be before June 30th, 1969 may join the Cubs now. The Wabamun 1st Pack is held every Monday night 6 - 7:30 p.m. Parents must accompany their children.

Don't forget the W.I. card party on February 14th at 8 p.m. in the Jubilee Hall. Admission 50¢ and lunch will be served. Come on out and help us to have a good evening at cards as there will be both whist and cribbage.

MF 40 HAY CONDITIONER

Condition as you mow to cut curing time in half ... get hay out of the field faster and preserve its quality.

Make better hay; Make better time.

The Massey-Ferguson MF 40 Hay Conditioner lets you condition as you mow ... the only extra time it takes is the few minutes needed to hitch it up. An exclusive 3-position tongue allows this versatile machine to be used with any make and type of mower. The MF 40 high roll speed crushes the toughest plants and works full speed in thick swaths. It can keep up with the high speed mowers (up to 9 mph). Lower corrugated steel roll in conjunction with upper rubber carcass roll protects against damage from protruding rocks. Remote control lets you separate rolls from tractor seat to clear plugs.

Corners squarely. The MF 40 Hay Conditioner takes a full 7-foot swath even on the corners; square turning is possible through three universal joints on the PTO shaft. You won't skip part of the swath even on the tight right turns.

Check with us and see how little it would cost to put an MF 40 Hay Conditioner to work on your farm ... it's the soundest investment you can make in better hay quality.

THE WESTERN REVIEW

Drayton Valley, Alberta
February 12, 1969

The executive of the Farm Union would like to remind all members that the regular meeting will be held in the Council Chambers of the Town Hall on Wednesday, February 12th at 8 p.m. Mr. Zander, Reeve of the County of Parkland, has accepted an invitation to be present. The rural public is welcome to attend.

Miss Barbara MacKenzie spent the week end with her parents, Mr. and Mrs. John MacKenzie. Barbara works in Edmonton but almost every week end finds her in Drayton Valley.

Alfred Comeau is in his graduating year in electrical engineering and will leave for Toronto, following convocation, where he has a job waiting.

Very best wishes for future happiness are extended to Mr. and Mrs. Edward Hutzal, nee Iona Tucker, whose marriage was solemnized in St. Anthony's Church on February 8.

Miss Rosa Wolters, at one time principal of Drayton Valley High School, was in town for the Hutzal-Tucker wedding. It is the first time many of us have had and opportunity for visiting with Miss Wolters since her return from Toborah, Tanzania, where she taught for a time. At present Miss Wolters lives in Edmonton and teaches at Ellerslie.

Mrs. Fern Bamay and Mr. Lewis Schmidt were summoned to Medicine Hat on Saturday by the grave illness of their mother, Mrs. Campbell, Mrs. Campbell was formerly Mrs. August Schmidt, of Violet Grove.

The Robert Hunters, of Calgary, and the Gordon Tuckers, of Bowden, were among the out of town guests at the Hutzal-Tucker wedding.

Miss Margaret MacKenzie plucked a ripe tomato from her own vines on Monday. No, I didn't say she grew it outside.

Neighbours of Mr. Louis Matson called at his home on Sunday evening to extend good wishes on the occasion of his seventy-eighth birthday. Best wishes from me, too, Louis, for many more happy years.

Mr. and Mrs. Ben McIntyre are spending a month in Hawaii and will call on Mrs. McIntyre's mother, Mrs. Olga Wiechert, on their way home to Uranium City.

Mr. and Mrs. Edward Hines Jr. have just moved into their new home on the family farm at Violet Grove.

Mr. and Mrs. W. Monchuk left recently to make their home in Fort McMurray. Good-bye and

good luck, Mr. and Mrs. Monchuk. Welcome to Drayton Valley Mrs. Brock.

Fire damaged the roof of Forest Erickson's house on Monday. Fortunately passing motorists came to Mrs. Erickson's assistance and were able to put the fire out. Fire fighting men and equipment came from Drayton Valley.

Mr. and Mrs. Ted Tucker entertained at a dinner party on Sunday in honour of Mrs. Tucker's father, Mr. Fritz Joesting, on the occasion of his birthday. During the evening old friends and neighbours called to convey good wishes.

Drayton Valley Chamber Meeting

A general meeting of the Drayton Valley and District Chamber of Commerce will be held at noon on Thursday, February 13th in Dave's Restaurant.

It is predicted that over 1,200 Canadian will lose their lives by drowning in 1969, many of them due to unsafe ice conditions on lakes. Always check with local residents or fish-hut operators before venturing on unknown ice.

Eddie Malainey spent a few days in Berrymoor during the cold weather visiting relatives and friends.

George VanEmber spent a few days in hospital but we are happy to see him up and around again.

Lawrence Farnel was a visitor at the Ed VanEmber home recently. Lawrence has just returned from a trip to Ontario where he visited relatives.

Charles Martin had the misfortune to have some bones broken in his hand as a result of an accident where he was employed on a drilling rig in the Yukon Territory.

Mr. and Mrs. Walter Joneson and family of Edmonton spent the weekend at their farm home.

Mr. and Mrs. Gordon Tryron

and daughter of Ryley spent the weekend visiting relatives in Berrymoor and Alsike.

The boxing card in Breton on Saturday, February 8th was quite well attended. A number of local residents were there.

Our sincere sympathy is extended to Mr. and Mrs. Vernon Herneberg and family of Lindale who lost their home and all its contents by fire on Saturday night. The family were all away from home at the time of the blaze. A shower will be held for them at the Lindale Hall on Thursday, February 13 at 8:00 p.m. Ladies are asked to bring lunch.

Mrs. Robert VanEmber and her daughter have returned home after spending a few days in Edmonton. Mrs. VanEmber's mother was in hospital and Sandra was keeping house for her father and younger members of the family.

Moon Lake 4-H Club to Attend Rally

The regular meeting of the Moon Lake Beef Club was held on February 4th in the Moon Lake Hall at 8 o'clock.

Ila Tufty brought the meeting to order by leading the pledge. Roll call was "Breed of my calf". All members and pee-wees were present.

The combs were distributed amongst the members. They are selling for \$1.00 per pack of ten.

The club decided to participate in the "4-H Rally" scheduled March 1st at Evansburg. In the near future the club plans to hold a skating party and wiener roast.

Karen Tufty was chosen as our queen candidate to represent our club at Sundance on February 14 for the regional queen.

Dickie Woloszyn reported on "How to treat my calf for bloat" and Debbie Mohn on "Washing my calf". These proved to be very informative. Next month Karen Tufty is to give a report on "The importance of good record keeping".

Heather Sinclair then gave the treasurer's report. Before the meeting was adjourned, Norman Johnson, the leader demonstrated on how to make a calf halter with a rope. This was enjoyed by all.

Lunch was served by the hostesses Mrs. Mohr, Mrs. Hansen and Mrs. Kapteyn.

The ladies of the Community Club catered to a reception for Mr. and Mrs. Don Rose on Friday, January 31st. Dinner was prepared for 160 guests.

On the evening of January 31st a wedding dance to honor Mr. and Mrs. Don Rose was held in the Lake Isle Community Hall. In spite of the very cold weather there was a good crowd and everyone reported having had a wonderful time.

Work has resumed on the Arctic Ice Cutting project on Lake Wabamun now that we are enjoying the milder weather.

During the January cold weather temperatures as low as 58 degrees below were unofficially recorded in our district.

Mr. and Mrs. Gordon Jones of Fallis celebrated their 50th Anniversary recently. They are parents of Shirley Satermo of Lake Isle.

Smiths and Planters motored to Edmonton this week. Mrs. Plante was making final arrangements for her trip to Holland. She and her daughters Johann Satermo and Cindy Klapper plan to leave by plane on April 15th for a three-week visit to their native country.

Melvin Snell, well-known to many Lake Isle residents, passed away very suddenly at his home in U.S.A.

Recently Mr. and Mrs. Karl Harte had the misfortune to lose their pig barn. It burned down during the night.

Donnie Hofmann's rink won the Grande Challenge trophy at the Entwistle mixed bonspiel last weekend. His team included David Oliver, Marilyn Field and Susanne Smeltzer.

The Saturday night card party held in the community hall was well attended. Winners were: Ladies 1st Ethel Harte, 2nd Nellie Satermo and consolation Mrs. Ambrose; Men's 1st George Bauer 2nd George Lund and consolation Karl Harte. Next card party will be held on the 15th of February.

Eddie Jones is entering a team in the Men's Bonspiel at Seba Beach this weekend. Those playing with him are George Lund, Donnie Hofmann and Michael Peck.

The Community Club met at George Lund's home on Thursday evening, February 6th. Plans were discussed for the community party to be held on February 22 in honor of Mr. and Mrs. Gordon Ambrose who will be celebrating their 50th wedding anniversary on that date.

The ladies also decided to buy a propane cook stove for the hall kitchen. The next meeting will be on March 20th at Karl Harte's home.

Special Meeting of Regional Council

Minutes of a special meeting of the Regional Parks and Recreation Council, held at the County Office at Stony Plain, on January 29th, 1969.

The meeting was called to order at 1:45 o'clock p.m.
Members present

Mr. Les Miller, Mrs. Robert Akins, Mrs. Marian Ivan, Mr. Don Gylander, Mr. Richard Fuhr and Mr. Herb Hennig.
Staff present

Mr. Syd Moore, Mr. Cece Armstrong, Mrs. J. Cross.
Recreation Department Move

A discussion took place concerning the possibility of the Regional Parks and Recreation Council moving its department to the building presently occupied by the Stony Plain School Division No. 23, in Stony Plain.

Mr. Hennig moved that the Recreation Council recommend to the County Council that the

Recreation Department move to the School Division office when necessary. Carried.

Facilities Operation Assistance

Mr. Moore presented to Council a proposed method of assisting communities on a percentage per cost dollar basis, with a supplemental plan to assist groups or individuals to travel to the existing facilities to obtain maximum use of them. The percentage of assistance would be determined by the Council when the budget is presented each year, and approved by each Local Authority involved in the Agreement. Use of facilities outside of the Agreement would be on a contract basis.

Board Membership

A discussion took place relative to the composition of the Board with various ideas being presented, with the emphasis on maintaining continuity in policy development, within the new Regional Recreation Administration.

Mr. Gylander moved that the Board recommend to County Council that the School Committee have a representative on this board, with Mrs. Ivan being recommended as that representative by the Recreation Council, and that the Board membership remain the same as at present.

Stenographic Appointment

It was moved by Mr. Robert Akins that Mrs. Janet Cross be appointed as Stenographer for the Recreation Council.

Athletic Directors Report

Mr. Cece Armstrong reported

that the Hockey Coaches Clinic was a success and that he had been in touch with Mr. Christianson from Seba Beach, regarding the grounds at the School, with a possible joint use of the facility for schools and recreation. The Athletic Director's report was accepted on motion of Mr. Gylander.

Publishing of Minutes

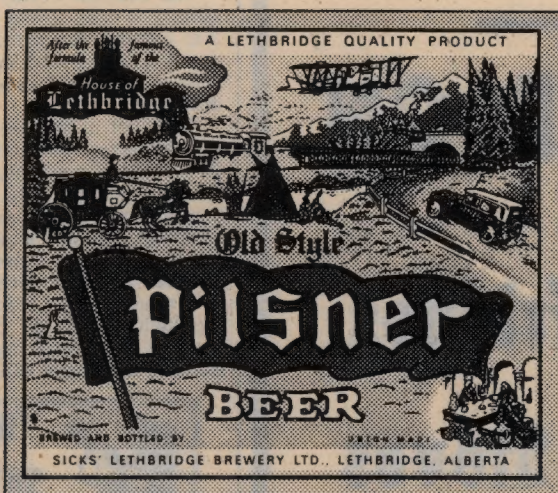

The Recording Secretary requested direction from Council concerning publishing of the minutes.

It was moved by Mr. R. Fuhr that the minutes be published in the local newspapers. Carried.

Meetings

It was decided that the public be informed of meeting dates. It was also decided to continue to hold the Recreation Council meetings in the evening.

Meeting adjourned at 4:30 p.m.

How did those six Sioux get on our beer label? (Six? Count 'em. Six.) To say nothing of three crows. And a Hupmobile. And twenty-nine trees. And our House of Lethbridge. How? Frankly, we don't remember. It all happened many moons ago. But one thing's certain: we'll never change our label. Or the great beer behind it. In Lethbridge, we go right on brewing it the slow, natural way, for real flavour. We have spoken.

The Ramona Community League held its annual meeting on Tuesday, February 4th. For 1969 our president is Joan Beauchamp; secretary-treasurer, Jim Blake; Mary Blatkevicz, vice-president; Marge Polland, Phyllis Kelly and Lynn Hallett, board of directors. Congratulations folks. Welcome to the new members who joined this meeting, they are Pat and Vern Benjamin. Anyone wanting to join the community club may do so at any time before July 1st. Just ask any member.

Lloyd Putnam was in hospital for a few days last week. He is well enough to go back to work this week. We hope you are out of the hospital to stay Lloyd.

Mrs. Putnam of Bon Accord came out by bus last Wednesday to visit her son, Lloyd and his family. Penny was happy to have

Grandma come on her birthday. Mrs. Putnam left Tuesday to return to Bon Accord. We hope you had a very pleasant visit Mrs. Putnam.

Congratulations and good luck to Edwin Erickson who has started a music store and school in Drayton Valley.

Congratulations to Mr. and Mrs. Paul Lysak of Edmonton who celebrated their 50th wedding anniversary on February 10th. Their children gave them a party on Saturday, February 8th in Edmonton. Mr. and Mrs. Lysak used to farm in the district until a few years ago when they sold the farm to their son, Steve, and moved to the city.

Verna Benjamin had a birthday party on Sunday with 24 children present. She was happy to have Stevie Carnegie there along with his sisters Shelly and Lori. Stevie has been in hospital for several

months but was able to go home for the weekend and attend Verna's birthday party. Other guests were Corena Carnegie of Whitecourt; Wendy, Blake, Wade and Janet Blatkevicz; Linda, Cathy, Carol Blatkevicz; Joy-anne, Ronnie, Donnie, Dale Blatkevicz; Donna, Carrie, Terry, Tammy, Curt, Lanny Kelly; Debbie, Larry, Connie Swap; and Dixie Davis. I'm sure the children all had a good time, so is Vern. He bought his favorite ice cream for the party and it was all gone before he got a taste. Better luck next time Vern, remember, your birthday is coming.

The Teen Club held a toboggan party on Friday. Ed MacLean and Cecil Kelly were the chaperones. Everyone had a very good time.

Louise, Roy and family came down from Whitecourt last Tuesday to visit her family here. Al was driving through Drayton to a job so brought Louise and the children along for a visit. Of course Mr. and Mrs. Woodruff were happy to see their daughter, son-in-law and grandchildren.

The Kmyta family drove to Seba Beach on Sunday to visit Mary's sister who has been ill. We hope she is feeling much better.

David Kmyta got a wood burning set for his birthday on Saturday and has done some very nice work with it. The pictures he has done would make nice wall plaques.

Pastor Snell Attends Retreat

Pastor Snell of the Drayton Valley Church of God attended the Second Annual Evangelical Ministers Retreat held at the Banff School of Fine Arts from February 4th through to the 6th.

Discussion centred around the church, its message and its outreach. Six Evangelical groups were represented at the meeting - Church of God, Evangelical Free, Evangelical Covenant, Evangelical Church (former Evangelical United Brethren), Free Methodist and the United Missionary Church.

A significant step forward was taken by the Canadian wing of churches in that an appointment of a committee to study the possibility of a closer working relationship.

Pastor Snell already expressed his desire to attend again next year.

LIBRARY NEWS

The Drayton Valley Municipal Library is open to the public from 3 to 5 and 7 to 9 p.m. on Tuesday and Friday with noon hour service on both days for bus children.

Sorry not to be able to take reservations for "Memoirs of a Bird in a Gilded Cage". Because of the present popularity of the book book borrowers are being asked to return it in one week, if at all possible, and the book will not be renewed at the present time.

Last week end I read, and thoroughly enjoyed, "Two Innocents in Red China" by Jacques Herbert and Pierre Elliott Trudeau.

The writers neither approve nor condemn socialism as they observed it in China. They simply report what they saw and you may draw whatever conclusions you choose.

Many of our favourite books have been restored to usefulness by a trip to the book bindery. Watch for some of them on the shelves or ask at the desk.

Remember that for one dollar you may borrow all the books you can read in twelve months. Children pay fifty cents for the same period but there are restrictions on the number of books to be taken at one time.

Survey Investigates Possibility of New Water Supply Through Diversion of North Saskatchewan, Athabasca

The possibility of enriching the water supply of moisture-deficient southeastern Alberta by diverting water from the north-western section of the province is being studied by the Water Resources Division of the Alberta Department of Agriculture.

A team of about 50 technologists, drillers and engineers is presently engaged in probing the feasibility of river diversions under the joint Federal-Provincial Saskatchewan-Nelson River Basin Study. The projects involved are, in many instances, identical to those being studied under the Alberta P.R.I.M.E. program.

The Alberta studies, however, require more detail than the joint Saskatchewan-Nelson study, which is directed mainly towards the location of possible storage sites and diversions and the determination of the effects of this storage on stream flows.

Similarity between the two studies within Alberta permit both to be conducted in the

same operation, and the Water Resources Division is currently involved in the investigation of 18 dams and diversions extending from the Athabasca River to the South Saskatchewan River.

One of the projects under investigation is the possibility of establishing a reservoir in the Ardley region. This would be a storage and diversion centre for water obtained from the North Saskatchewan River by means of a diversion in the Rocky Mountain House area, to the Horseguard storage, a stand-by reservoir. From Horseguard, the water would travel via Horseguard Creek, Last Hill Creek, Medicine River and Red Deer River to Ardley. From there, a canal to Craig Lake and the southeastern water distribution system is being considered.

To replace that water diverted from the North Saskatchewan River by the proposed system, a second possible diversion is being studied. This one begins with a dam across the Athabasca River. From this reservoir a

tunnel leads to the McLeod River where another dam would be constructed in the McLeod Valley. A canal would connect the McLeod with the Lobstick River which would carry the water to Chip Lake. From there, another canal will lead to a reservoir on the Pembina River, from which two possible courses are being surveyed. The first connects with the North Saskatchewan River east of Edmonton via Hoople Lake, Lake Isle, Lac Ste. Anne and the Sturgeon River. The second joins the North Saskatchewan west of the capital via a tunnel and Tomahawk Creek.

Each survey is laid out on the "critical path" process to allow equipment, when finished at one section of the project, to proceed to work immediately at another location. The schedule for such a survey starts with the objective, moves to site selection, field inspection, ground control, mapping, geological field inspection, layout of drilling program for dams, diversion structures and spill-ways. Foundation drilling, pressure testing, borrow-pit drilling and laboratory testing are all carried out at the same time. Then follows the preliminary design and drafting, preliminary cost estimates and the final, complete report.

Last Week	4512	3556	956
Same Week 1968	5704	4580	1124

SUMMARY:

Receipts were almost doubled
this past week on account of more
favorable weather conditions. Of-
ferings were mostly replacement
classes and cows. The week's
trading opened rather slow on a
fair offering of butcher steers at
prices 25 to 50 lower, but were
showing improved strength as the
week closed with choice handy
weights selling to 25.85. Butcher
heifers sold on a strong basis
throughout the week as there was
a good local demand for choice
good conditioned handy weights
selling to 24.75. Butcher cows
opened about steady with the odd
sale over 19, but all grades were
under some pressure later in the

week with closing prices general-
ly 50 lower. Bulls closed strong
50 to \$1 higher with sales to 22.80
for export types. Veal calves
generally scarce with sales to
34.50. Butcher calves steady for
the week. Replacement cattle
sold on a firm basis especially
lighter weights. Stock calves sold
under a good demand at firm
prices with sales to 32.50 for good
steer calves. Last week's ship-
ment off Edmonton yards - East:
360 for slaughter and 390 for
feeding; West: 340 for slaughter;
To Southern Alberta: 300 feeders.
Export: 7.

Anglican W.A. Decides On Events of Near Future

The February meeting of All Saints' A.C.W. was held February 5th at 7:30 p.m. in the Parish Hall with nine members and one visitor in attendance. Before the business meeting commenced a talk was given by Mr. Hazel Roger, formerly of Tamaca and now residing in Drayton Valley. A discussion followed, comparing life in Canada to life in Tamaca which proved very interesting to everyone.

A long overdue redecorating job is needed at the Rectory and the A.C.W. members passed a motion to supply the funds for this project.

In order to raise money to help look after the church furnishings it was decided to make "Penny Bags" which will be sent to all women of the parish. These will be collected at the year-end. A reminder will be published later about these.

Grain Volume To be Increased

Canada's railways gave assurance last week that they expect to meet, according to a statement by G. L. Harrold, Alberta Wheat Pool president, new grain movement targets to Vancouver in the next few weeks.

The kind of improvement in rate of grain movement will involve arrival of over 500 boxcars per day at Vancouver. Volume of this kind would be welcomed by Alberta Wheat Pool, and would permit operation of its terminals at Vancouver and Victoria at near capacity.

There are 14 shipping berths available at Vancouver and Victoria, five of which are being used February 4th. Shortage of adequate amounts of needed grades of grain is responsible for some unoccupied loading berths.

With adequate wheat and other grain stocks in western Canada, and immediate market opportunities available at the West Coast, only rail transportation through the mountains is needed.

Family Bereaved

Sympathy is extended to Mr. and Mrs. Glen Primrose in the loss of Mrs. Primrose's sister, Marie Shimanski of Rockyford, Alberta, who was killed in an automobile accident recently.

Mr. Shimanski's predeceased her a year and a half ago and they leave four children, one boy and three girls. The two youngest children are being cared for by Mr. and Mrs. Primrose.

ENTWISTLE NEWS

MRS. E. OLIVER
Correspondent

It has been learned that Mrs. Percy Elliott has been quite sick and we would like to wish her a speedy recovery.

Mrs. Vic Luedtke is also on the sick list and at present is in the Drayton Valley hospital. We hope she will not be there too long and be home again amongst her friends and neighbors.

Mr. and Mrs. Walter Hofmann have a new son Kenneth Edward who has come to live with them. His sisters are: Dianne, Kathy, Dawna and Norma. Congratulations to you Rosemary and Walter from all your friends and neighbors.

The mixed curling spiel held on February 1st and 2nd was very well supported and all had a wonderful time. The winners

were: Grand Challenge-Donnie Hofmann rink of Entwistle, who received the Jack Swinnerton Trophy; 2nd-A. Paron of Evansburg; 3rd Starling of Entwistle and 4th-D. Gylander of Entwistle. Second Event: 1st-Swinerton; 2nd K. Hoople; 3rd-Danny Sullivan; and 4th-Bain.

Fourteen rinks comprized the bonspiel and a delicious banquet was served to all the curlers.

Word has been received from Mr. George Pawluk who is spending some time in Hawaii. We are very pleased to see that he does not forget his friends in Entwistle.

Mr. Leonard Nelson has gone to Fox Creek where he is working for the time being.

Bread is the staff of life, but there is no reason why our life should be a continual loaf.

The meeting adjourned at 3:20 o'clock p.m. on motion of Councillor Vowk.

NOTES FOR NURSES

December - Chapter 33 of the AARN met December 11th at the home of B. Schoenroth with 10 members present. It was suggested that a sweater be sent as a gift to our "Adopted Patient." Business included discussion on placing books regarding nursing in the school libraries. It was noted that at present the Chapter's copy of "Heritage of Service" is missing. This book by Tony Cashman is a hard cover book and we would like it returned so would all nurses check your homes to see if you can locate it. Have you loaned it to someone else?

Following business, members tested their skill in remembering medical abbreviations. The evening closed with a lunch of Christmas calories.

January - There was no meeting January 9th, one of the reasons being the cold weather. February - Our next meeting will be held at 8:00 p.m. in the Residence on Wednesday, February 12th. A program as well as business is planned for Wednesday evening. See you there.

The best way to remember your wife's birthday is to forget it just once.

Wood: That substance which burns so easily in a forest, and with such difficulty in a fireplace.

Let's cross electric blankets with toasters and pop people out of bed.

The trouble with flower children is... most of them look as though they've gone to seed.

Salisbury Sabres, winners of weekend basketball tournament.

HOOP TOURNAMENTS PLANNED; DRAYTON SETTING FOR BIGGEST

North Central basketball league schedules are nearly completed. Playoffs begin in four centres Saturday, February 22. These tournaments will determine zone finalists, who in turn will compete for the right to represent the

North Central Zone in the Provincial Finals.

St. Albert High School will host the Northern Conference Playoffs of the North Central League in the Vital Grandin School. Competing schools include Athabasca, Barrhead, Paul Kane, St. Albert and Westlock. St. Albert High School will also host the Zone Finals for "B" schools one week later.

The Southern Conference Playoffs of the North Central League will be hosted at Salisbury. Schools involved are Ardrossan, Concordia, Fort Saskatchewan, and Stony Plain as well as the host.

The biggest tournament is scheduled for Drayton Valley where 7 or 8 boys' and as many girls' teams will be engaged in a determined bid to gain a berth in the "B" Zone Finals. Teams from the Frank Maddock High

School of Drayton Valley will be joined by teams from Evansburg, Hinton, Onoway, Sangudo, Thorhild, Mayerthorpe and Parkland Composite.

Meanwhile the Sturgeon League "C" level playoffs are scheduled for Legal, Whitecourt will participate along with three Sturgeon League teams. The "C" Level Zone Finals will be hosted by Redwater March 1. The winners in both boys and girls competition advance to the Provincial Finals. Last year the North Central Zone was represented by the Fort Saskatchewan girls and the Paul Kane boys in the Provincial "D" Finals. Rochester girls and Newbrook boys represented the North Central Zone in the Provincial "C" Finals.

The girls' team from Fort Saskatchewan was the only North Central Basketball team to win a Provincial Crown in 1968.

HEALTH UNIT NOTES

IMMUNIZATION INFORMATION FOR INTERNATIONAL TRAVEL

Whether travelling for pleasure or on business, in some parts of the world it is possible to acquire diseases that have been eradicated in Canada, or have never occurred here. Thus travelers may endanger not only their own health, but also the health of persons in countries they visit and, on returning home, the health of their fellow citizens.

Through the World Health Organization all member countries cooperate in exchanging disease information and reporting disease conditions of their respective countries. They also report their immunization requirements for entry to that Organization.

The Health Unit provides information on: Vaccination requirements of foreign countries; Vaccination requirements for entrance into Canada; Other immunizations recommended for the traveler's own protection; and The International Vaccination Certificates.

Tetanus, Smallpox, Poliomyelitis protection is given free of charge at the Health Unit (a benefit of the tax-payers money). Cholera and Typhoid may be purchased in Edmonton and given free of charge here too. Yellow Fever is the only inoculation that is strictly given at the Col. Mewburn Pavilion, 112th Street and 87th Avenue, Edmonton.

It is advisable to have a physical check up if you are going on an extended trip. If you are diabetic, or allergic to penicillin, or have any physical condition that may require emergency care, have some identification to carry on your person at all times indicating this.

All persons entering Canada need a smallpox vaccination certificate, (acquired within past three years), unless that vaccination is medically contraindicated for a stated reason, i.e., severe eczema. The quarantine officer will determine whether surveillance (reporting to the Health Unit) or isolation is necessary.

It is wise to keep your immunization up to date, whether travelling or not.

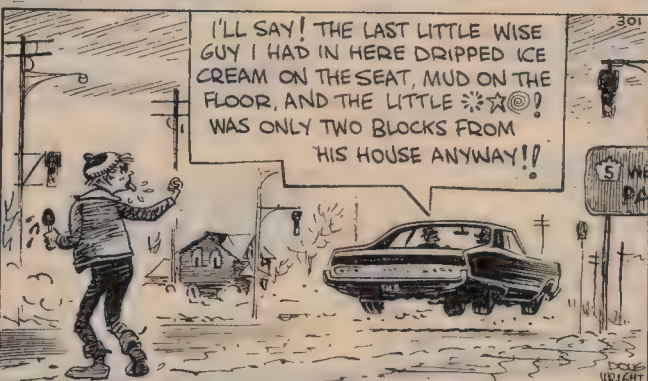

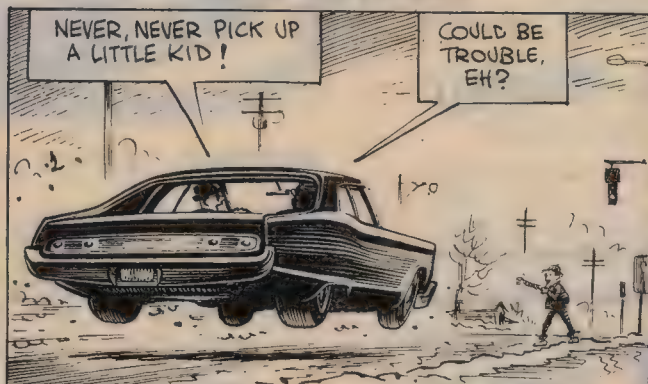

Feeders Assn. Plan Meeting

A general meeting of the Drayton Valley Feeders' Association Limited will be held at 8:00 p.m. on Tuesday, February 18th at Sekura Auctions. Anyone interested on the cattle industry is welcome to attend.

Names Omitted From Test List

The following names were inadvertently omitted from last week's list of figure skaters who passed Alberta Figure Skating Test: Preliminary - Rita Pequin, Lorraine Pequin, Dale Rendflesh and Debbie Schultz. Gold - Vikki Wardlow.

THE WHEELS

Schedule Complete; Rebels Set For Finals

The Drayton Valley Rebels played three games last week, winning one and losing two. On Thursday they lost 8-3 to league leading Wetaskiwin Colonels; Saturday, at home, they outscored Stettler Imperials 9-2 and on Sunday they were defeated by the Fort Saskatchewan Huskies 4-1.

At Wetaskiwin, the Colonels took a 2-1 lead at the end of the first period. Davie scored the lone Rebel goal. In the second, the Wetaskiwin club scored six goals with only one reply by the Rebels, that by Dunn. The Rebels held the fast skating Wetaskiwin club scoreless in the third period but managed only one goal as Machan scored his first goal of the season to make the score 8 to 3 in favor of Wetaskiwin.

On Saturday the Stettler Imperials, with only seven points in the standings; six of which were gained on three wins over the Rebels, were no match for the green and white as they dominated play and blinked the red light four times before the first period ended. Scoring for the Rebels were Pankewicz, Colbert, Novosel and Davie.

Zaichkowski scored at the five minute mark of the second to put Stettler on the score board and narrow the margin to 4-1. The play remained between the blue lines until the 15:32 mark when Novosel scored his second goal of the night. Hemmingway made it 6-1 by the end of the period.

Colbert, Ness and Garding scored for the Rebels and Dennis replied for Stettler in the third to make the final score 9-2 in favor of the Rebels. The Rebels picked up five of the six minor penalties and outshot the short handed Imperials 34-16 during the game.

Colbert, Bom and Garding were chosen the game's three stars. Pool winners were H. E. Ashton, G. Hay and Myrna Boscher. On Sunday the Fort Saskatchewan

wan Huskies defeated the Rebels 4-1. No statistics are available for this game except that Huskies held period leads of 2-0, 3-1, 4-1. Jim Dunn scored the only Rebel goal.

Play-off positions are not settled at this time as Camrose has two games remaining to play. The Rebels and Maroons are presently tied for third spot. Wetaskiwin finished in first place ahead of Fort Saskatchewan. The playoff in N.C.A.H.L. will be a best of seven series. The Rebels have entered the provincial play-off and have drawn "Ray's Esso" from Edmonton. This is a two-game, total point, home and home series that has to be completed by March 9th. Watch for posters as to the dates of the play-off games that will be played at Drayton Valley.

A league ruling that an increase of 25¢ per adult ticket will come into effect for all play-off games in 1969.

Ballot boxes will be put up at the next home game and the fans are asked to vote for:

1. The Most Valuable Player
2. The Best Defenceman
3. The Most Gentlemanly Player

Put a Chinook in your car!

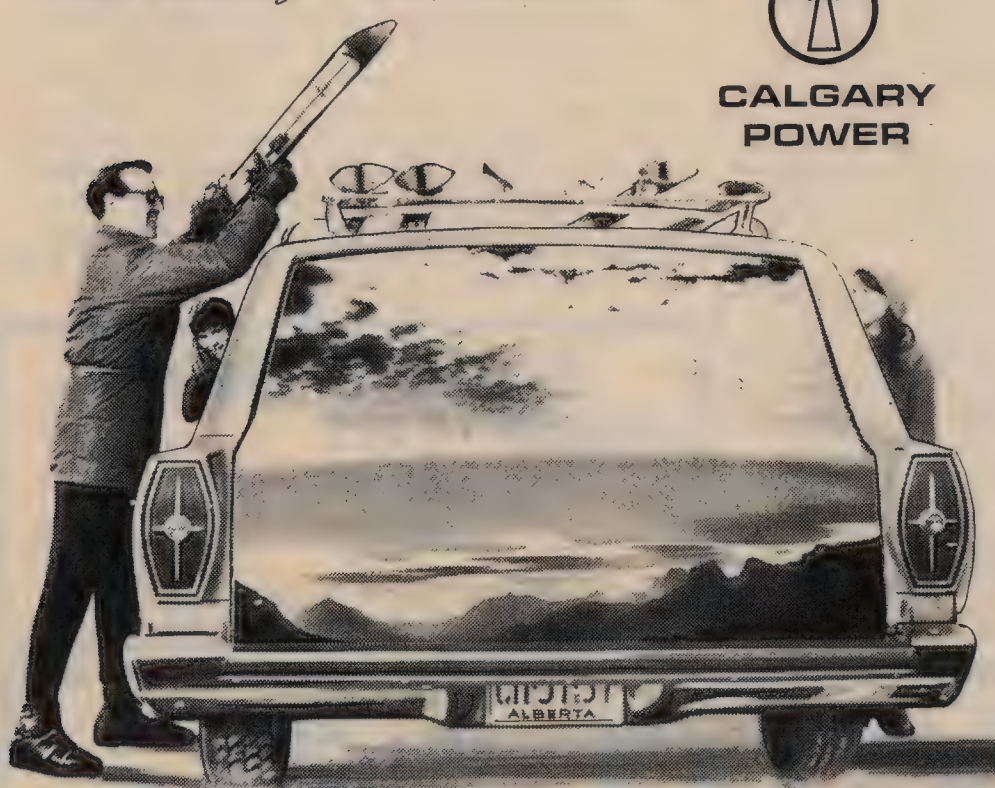

An in-car heater is a little convenience that makes winter driving easier, safer.

The temperature may be several degrees "below". But you're ready to go! With a small, convenient electric car heater, your car is comfortable and warm - like the house you just left. No need to turn on the engine ahead of time, before you're ready to leave! No windshield scraping to provide safe-driving vision. Having the convenience of an electric in-car heater is like putting a chinook in your car!

Pure Electricity - Pure Convenience!

MAGNOLIA NEWS

MRS. W. E. CAMPBELL
Correspondent

Many local folks attended the wedding of Connie Walker and Don Rose on Friday, January 31st. Later in the afternoon a reception and wedding dance were held at Lake Isle. A very enjoyable time was had by all in spite of the frigid weather. We all wish Connie and Don much happiness together.

Folks will be pleased to know that Pat Brydges and her wee son, born on January 25, are doing very well. The baby was named Robby Howard Brydges. It is hoped that both mother and son will soon be home.

On Sunday evening Betty McDougall, accompanied by her son, Peter, visited with Albin and Belle Osredkar at Entwistle.

Glynnie Roth had the misfortune to have his glasses broken into his eye while working for Arctic Ice Company. The doctor who removed the pieces of glass reports that the eye will be all right and sight will not be impaired. Your friends hope you are better soon Glynnie.

Miss Maxine June is anxious to contact the person who mistakenly took her double-breasted navy-black coat in place of a brown one at the wedding dance at Lake Isle. Her phone number is 727-2388.

Ray and Della Storms received a telephone call from their son, Phil, who is presently in Phoenix, Arizona. He told them that Doug, their little grandson, is over his spell of pneumonia and is ready to leave the hospital. Phil says the weather is not very nice down there either.

Gene Campbell, presently at O.A.V.C., has been ill and spent three days in the Olds Hospital. He is happy to be back at the college for classes.

The M. Nobert family were happy to have Mr. Nobert home for a day this week. He is presently working in the Brazeau district.

Many farmers in the district

have been baby-sitting through weary days and nights with the wee new arrivals in the cattle, sheep and pig families. Spring must be somewhere around that not-to-distant corner.

Dean and Betty Strangway held a surprise birthday party on January 27th in honor of Dean's mother. Supper guests were Mr. and Mrs. R. Strangway, Mr. and Mrs. F. Harris, Mrs. Messenger and Mr. D. Churchill.

Ben Bender of Victoria, B.C. recently visited relations in this district.

Dean and Betty Strangway curled with Elmer and Ruth Messenger, February 1 and 2 at Entwistle. They won Fourth in the fourth event. Their prizes were ashtrays adorned with tiny curling rocks.

Readers are reminded of the Magnolia Ladies Club tea and bakesale to be held in the Evansburg Hotel basement on Saturday, February 15 at 2:00 p.m. There will be an excellent selection of fine quality cakes, cookies, pies and breads. Gentlemen! Here is an opportunity to relieve your wives of a week's baking.

4-H Meeting

BARTLE GUYON,
Reporter

The regular Drayton Valley 4-H Beef Club meeting was held in the Elementary School at 7:30 p.m. with all members present except for one.

The members decided to put on a short play for the 4-H Rally, that is to be held on the 1st of March at Evansburg School auditorium.

Three of the members, Valerie Guyon, Robert Rasmussen and Bartle Guyon had their first try at public speaking.

Mr. Guze gave a lecture on minerals in a calf's diet.

Marilyn Rasmussen is running for Valentine Queen. Proceeds of the dance and contest at Sundance Hall will go toward the Crippled Children's camp at He-Ho-Ha.

CUB NOTES

BADEN POWELL WEEK

When "Johnny" does his daily "good turn" he is part of a world-wide movement of boys begun in 1907. It was in England and Sir Robert Baden-Powell was the organizer. When an unknown lad in foggy London offered to help a visiting American who had lost his way an idea was born. On learning that this youthful helper was a "Boy Scout", the American visitor, a publisher, conceived a plan for his own nation.

Charles D. Boyce returned from London, and with several others, formally incorporated the Boy Scouts of America on February 8, 1910.

Today the Scouting organization exists in almost every nation of the free world, from Afghanistan to Zambia, including nine million boys and leaders. At the 1963 World Jamboree in Greece, twelve thousand Boy Scouts from 89 nations lived together as friends.

In commemoration of Baden-Powell Week the annual Father and Son Banquet will be held on Monday, February 17th at 6:30 p.m. at the Elks Hall. Price: fathers \$1.00, boys 75¢. Cutlery will be supplied by the catering group.

Cubs and Scouts remember to wear your uniforms during Baden-Powell week, February 17th to the 23rd. Scouts are asked to wear the sashes on Sunday, February 23rd.

A non-denominational church service will be held on Sunday, February 23rd at 2:30 p.m. at the Cadium Theatre. All Scouts, Cubs and their parents are urged to attend. A silver collection will be taken for charity.

The boys are to meet at the Scout Hall to parade to the theatre - please be at the hall between 2:00 and 2:15 p.m.

BOTTLE DRIVE

Cubs take note a "Bottle Drive" will be held this Saturday, February 15th in the morning, weather permitting.

With the aid of a computer, Canada Department of Agriculture scientists are predicting grasshopper populations with 75 per cent accuracy. Dr. R. L. Randel of the Saskatoon Research Station shown above with the computer, is one of the scientists who is involved in a search for the remaining factors that affect grasshopper populations. "I doubt that we'll ever reach the point where our predictions are 100 per cent accurate, but we're certain that we can do better than 75 per cent," he says.
